

Remarks

The above amendments have been made to correct an error in claims 2 and 8. These claims erroneously recited polypropylene instead of polyoxypropylene. Claims 2 and 8 directly or indirectly depend from claim 14 which correctly recites "polyoxypropylene". The currently amended claims use proper terminology and are supported by the specification as filed. Applicants request that the above amendments be entered so that the language used in the dependent claims corresponds to the language used in the independent claim.

Applicants respectfully submit that all of claims 2-5, 8-11, 14 and 15 are still in condition for allowance. If it is believed that the application is no longer in condition for allowance, it is respectfully requested that the undersigned attorney be contacted at the telephone number below.

In the event this paper is not considered to be timely filed, the Applicant respectfully petitions for an appropriate extension of time. Any fee for such an extension together with any additional fees that may be due with respect to this paper, may be charged to Counsel's Deposit Account No. 02-2135.

Respectfully submitted,

By
